

About C.A.S.H.

- ◆ The California's Coalition for Adequate School Housing (C.A.S.H.) is the premier statewide organization which promotes, develops and supports state and local funding for K-12 construction and maintenance.
- ◆ C.A.S.H. members include over 1,500 school districts, county offices and private sector businesses including architects, attorneys, consultants, construction managers, financial institutions, modular building manufacturers, contractors, developers, and others that are in the school facilities industry.
- ◆ C.A.S.H. is your voice in Sacramento to advocate for funding to build, modernize, and maintain K-12 public schools in California.
- ◆ Since 1982, C.A.S.H. has sponsored or supported over \$52 billion in statewide school bonds to help build, modernize and maintain thousands of schools.
- ◆ C.A.S.H. has very close working relationships with OPSC, DSA and CDE – the primary state agency partners that are critical to your success in school facilities.
- ◆ C.A.S.H. represents the voice of the school facilities community before the State Allocation Board (SAB) – the body that determines the allocation of school facilities funding and changes to the School Facilities Program (SFP) and other funding programs.
- ◆ C.A.S.H. is also one of only 15 members on the SAB's Implementation Committee which reviews and advises the SAB regarding SFP program regulation development and implementation.
- ◆ C.A.S.H. affords its members numerous networking and training opportunities through its monthly membership meetings in Sacramento, annual conference in late February which includes quality educational sessions and a trade show also in Sacramento, a fall conference in October, and educational workshops and webinars throughout the year.
- ◆ C.A.S.H. helps to build future leaders through its School Facilities Leadership Academy – a year-long rigorous program that provides professional training in areas including modernization, new construction and maintenance of public schools.
- ◆ C.A.S.H. has several committees in which many members are involved. These committees help shape the future of the organization whether it is assisting with crafting our annual conference or helping to shape legislation and regulation.
