RESOLUTION NO. 04-06-07

**Support for Proposition 1D
Kindergarten-University Public Education Facilities Bond Act of 2006**

WHEREAS Proposition 1D is an investment in our schools, in our children, and in California's future; and

WHEREAS providing a quality education for our children is the most important thing we can do to invest in their future; and

WHEREAS the best way to grow our economy and create good paying jobs is to create world class public schools – with adequate educational facilities – that give our students the skills they need to succeed in the workforce; and

WHEREAS, for every dollar California invests to get students in and through college, the state's economy receives a \$3 net return on that investment; and

WHEREAS Proposition **1D** provides over \$7 billion for kindergarten through 12th grade education and an additional \$3 billion for higher education; and

WHEREAS California's community colleges and state universities (UC and CSU) continue to grow exponentially – with community colleges providing instruction to over two million students every year and California's universities expected to grow to accommodate nearly 650,000 students – we need to provide funding to modernize and upgrade teaching and research facilities to remain competitive with other states; and

WHEREAS Proposition 1D will help pay for wiring classrooms and providing 21st century technology, and builds vocational education facilities so that all students are given the skills they need to get a job and succeed in life; and

WHEREAS Proposition 1D will relieve overcrowding, help reduce class sizes, and give students a real opportunity to learn; and

WHEREAS more than 60 percent of California's schools are 25 years of age or older and require major repairs; and

WHEREAS Proposition **1D** allocates funds to retrofit and upgrade our schools and colleges to ensure they can withstand the impact of natural disasters like earthquakes; and

WHEREAS Proposition **1D** provides strict accountability to ensure that the money is spent properly; and

WHEREAS Proposition 1D is so important for California's future that both candidates for Governor, Phil Angelides and Arnold Schwarzenegger, as well as a bipartisan majority of the Legislature, support the measure;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the San Luis Coastal Unified School District supports Proposition 1D, Kindergarten-University Public Education Facilities Bond Act of 2006, on the November 7, 2006, ballot.
