Request For Proposals
Regarding
Facilities Master Planning Services

The Tamalpais Union High School District ("District") is soliciting proposals from experienced architectural firms that can help with the planning, development and related work associated with a Long-Range Facilities Master Plan ("Facilities Master Plan").

The purpose of this Request for Proposals ("RFP") is to obtain information that will enable the District to select an ideal candidate that can effectively partner with the District to perform various components of a Facilities Master Plan. Each Architectural firm responding to this RFP should be prepared and equipped to provide complete and detailed Facilities Master Planning services on behalf of the District in an expeditious and timely manner and enable the District to meet critical time deadlines and schedules.

If your firm is interested in providing Facilities Master Planning services for or on behalf of the District, please submit a detailed summary of your firm’s qualifications in accordance with this RFP. The deadline for receipt of PROPOSALS is 4:00 PM, on June 24, 2016 ("Response Deadline"). Note that proposals delivered after the Response Deadline may not be considered. A minimum of six (6) hard copies and one (1) electronic copy on a CD or flash drive in PDF format of your proposal should be submitted to:

Lars Christensen
Assistant Superintendent
Tamalpais Union High School District
lchristensen@tamdistrict.org

All submittals will become the property of the District. Information in the proposals will become public property and subject to disclosure laws. The District reserves the right to make use of any information or ideas in the proposals, reject any or all applicants, and to waive any irregularities or informalities in the RFP and RFP process. All costs associated with the preparation or submissions of qualifications, for this RFP are solely the responsibility of the candidates.

In order for the District to make an informed decision regarding selecting an architectural firm among responsible and responsive candidates, your proposal must contain the following described elements or evidence that the architectural candidate meets or exceeds the requirements stated hereto in this RFP.
1. SCOPE OF SERVICES

1.1 Meet with Facilities Master Planning Committee ("FMPC")

This task involves meeting with appropriate team members on the FMPC to obtain critical information on the existing facilities and conditions assessment. The FMPC shall meet throughout the Facilities Master Plan process. Participants in the FMPC might include members from the following groups:

- Parent Site Councils and School District Principals
- Representatives from School Foundations
- School District Staff
- Students
- Board of Trustees
- Superintendent’s Cabinet

1.2 Community Outreach

In light of the significant community interest in the Facilities Master Plan process, this task involves selected architectural firm ("Architect") assisting with Community Input Forums allowing the community to weigh in on the Facilities Master Plan process. Community Input Forums will be held to provide community members information and seek feedback from them on facility needs.

1.3 Develop Educational Specifications

Based on the District’s Educational Program and input from the community and the staff, develop educational specifications detailing the facilities needs within the District.

1.4 Demographics and Enrollment Projections

Perform a study of housing markets within the District and enrollment projections for the current attendance areas for 3, 5, and 10 year periods. Review these findings and recommend school site sizes to accommodate the projections.

1.5 Capacity and Utilization Study and Determination of Eligibility for State Funding

Perform a school site capacity study, including a full facilities inventory, along with established State and local loading standards. Provide recommendations regarding maximum site sizes, possible school additions or new sites. Prepare Office of Public School Construction Eligibility Determination for growth and modernization programs, and assist the District with determining eligibility for State facilities funding.

1.6 Facilities Equity Study

Analyze and compare teaching and support spaces between the school sites. These findings will be compared with the educational specifications to determine the need for changes or additions in facilities and spaces necessary to accommodate the instructional program.
1.7 Develop Future Facilities Needs and Alternatives

This task involves the Architect assisting with prioritizing short-term and long-term needs of the School District, exploring community and joint use needs, preparing individual site Facilities Master Plans, providing recommendations for energy savings, incorporating deferred maintenance needs into each campus, facilitating and documenting FMPC input and assembling all material for the FMPC.

1.8 Cost Estimates

Identify and project all costs associated with the recommended facility additions and improvements.

1.9 Preparation of a Final Digital Facilities Master Plan

This task involves Architect assisting with the preparation of a final digital Facilities Master Plan (in Adobe PDF format) that can be uploaded to the School District’s website and can be easily accessed by the School District’s constituents.

1.10 Facilitation of the FMPC Presentation

This task involves Architect assisting with the facilitation of FMPC presentation/discussion of findings and recommendations to the Governing Board in a Board workshop setting.

1.11 Presentation to the Governing Board

After receiving feedback from the FMPC presentation described in 1.10, Architect will assist with presentation of the draft Facilities Master Plan (including estimates, schedules, and possible funding scenarios) to the Governing Board for feedback prior to finalization and approval by the Board.

2. PROPOSAL FORMAT

PROPOSALS should be typewritten, concise, straightforward, and must address each requirement and question. Submittals shall be signed by an authorized individual or officer of the firm submitting the statement. In addition, submittals are required to have the following:

2.3. Relevant Grade 9-12 Project Experience

Provide information about prior services/designs prepared by your firm on at least five (5) prior Facilities Master Plans at the 9-12 level. Include the following information:

- Briefly state the relevance for each project included for consideration in this RFP.
- Specify role of firm or individual if work was not exclusively completed by the firm (i.e. joint venture, etc.)
- Provide a list of the following for each project:
  - Project name and location
  - Beginning and end dates of project
  - Main program elements
  - School District and name of contact with contact information
• Key individuals of the firm involved and their roles in the project
• Any sub-consultants that worked with the firm.

2.4. References
Provide the following reference information for your firm:

• Provide five (5) K-12 references who you have worked with in the past five (5) years. Four of the references can be for existing clients. However, one of the references must be for a client you no longer do work for. Please provide a written explanation as to why you no longer have a relationship with that client.

• Provide two (2) Program Manager or Construction Manager references that include a reference for construction administration services.

• Provide authorization of the "Architect" and all principals thereof to allow the District to make oral and/or written inquires of all references listed, regarding your qualifications, performance, reasonableness of fees and charges, and quality of final results.

2.5. Project Team Summary
Identification of Architectural firm’s project team and their specific expertise, experience, and resources to ensure suitable architectural services. Indicate key team members, years with the firm, resumes, and California Registration Numbers, as applicable.

2.6. Fees
Provide your fee schedule. If you plan to propose charging any costs for additional services, describe the types of costs to be covered and a proposed fee schedule. Be sure to include overhead and other special charges.

2.7. Litigation History
Provide a comprehensive five-year summary of the firm’s litigation, arbitration and negotiated/settled

2.8. Insurance
Provide proof of coverage for the types and amounts of insurance carried by the Architect, including CGL, automobile liability, Workers Compensation, and Professional Liability Coverage. Minimum limits of insurance required by the District for consultant and sub-consultants are as follows:

• Commercial General Liability Insurance (CGL) with a combined single limit of not less than $1,000,000 each occurrence/$1,000,000 in the annual aggregate.

• Business Automobile Liability Insurance with a combined single limit of not less than $1,000,000 each accident.

• Professional Liability (Errors & Omissions) Insurance with a limit not less than $1,000,000 each occurrence/$2,000,000 in the annual aggregate.

• Workers’ Compensation Insurance as required by the State of California.
3. CRITERIA FOR SELECTING PRE-QUALIFIED CONSULTANTS

Although not necessarily exhaustive of the criteria to be utilized by the District, the District intends to use the following evaluation criteria in selecting an Architect to assist with the Facilities Master Plan. The evaluation criteria are as follows:

3.1. Timeliness and Completeness of Proposal
To receive maximum consideration, Architectural firm’s PROPOSAL must be received by the Response Deadline. In addition, Architectural firm’s PROPOSAL will be evaluated with respect to organization, clarity, completeness, and responsiveness to this RFP.

3.2. Technical Qualifications and Competence
This includes experience, expertise, and familiarity with applicable laws and requirements for school facility projects in general and Facilities Master Planning in particular.

3.3. Record of Past Performance
This includes work quality, completion of work on schedule, cost controls, contracts held with other K-12 school districts over the last 5 years as well as the response of references provided by the Architectural firm or any other references identified by the District.

3.4. Approach to Work
This includes project management and coordination methodologies, prioritization analysis and study approaches and ability to work cohesively with various stakeholders involved in long-term planning efforts.

3.5. Fees
This includes total fee amount proposed by Architect firm, any additional costs for sub-contractors required for completion of Facilities Master Plan and Architectural firm’s policies respecting the pass-through to the District of overhead costs.

The District reserves the right to request that some or all of the respondents submit additional written information and/or that they consent to be interviewed by selected District personnel and/or representatives.

The District also reserves the right to: (i) extend the Response Deadline, (ii) send out additional RFPs, (iii) reject any and all submittals, and/or (iv) provide for mechanisms for Architectural firms to become Pre-Qualified to provide architectural services for the District. The District is not obligated to explain any deficiencies in their proposal, nor accept requests for justification from firms not selected.
4. POLICIES APPLICABLE TO CONTRACT AWARDS

Acceptance by the District of any proposals submitted pursuant to this RFP shall not constitute any implied intent to enter into a contract for Architectural firm’s services. All work to be performed under any awarded contract must conform to the requirements of the District and, if applicable, the CDE and all other governmental agencies with jurisdiction.

5. QUESTIONS REGARDING RFP PROCESS

Please call or email Lars Christensen at 415-945-1030 or lchristensen@tamdistrict.org if you have any questions. All questions must be submitted one (1) week prior to the Response Deadline.

NOTE: Responders are cautioned to not contact members of the District’s Board of Trustees or any District staff. Failure to observe this criteria will result in responder disqualification.

Interested firms should submit five (5) hard copies and one (1) electronic copy on a CD or flash drive in PDF format of the Response by July 22, 2016 at 4:00 PM to:

Lars Christensen  
Assistant Superintendent  
Tamalpais Union High School District  
PO Box 605  
395 Doherty Drive, Larkspur CA 94977  
lchristensen@tamdistrict.org

The District thanks you for your interest in providing services to the District and invites your Response hereto in accordance with the terms of this RFP.
